

Quick Starting Guide: Watching your iPod® videos on the 7" LCD screen

To see your favorite iPod videos on the 7" LCD screen, please follow the instructions below:

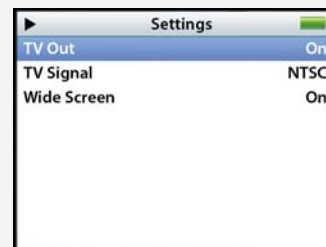

- ① On the menu screen of your iPod, select the **"Videos"** option.

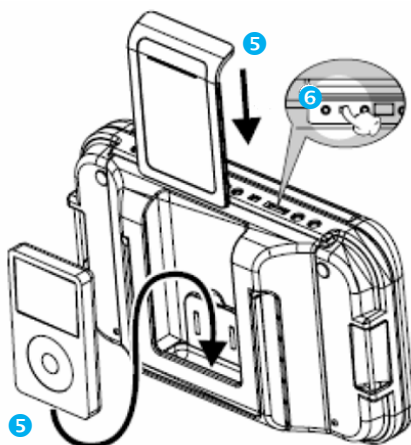

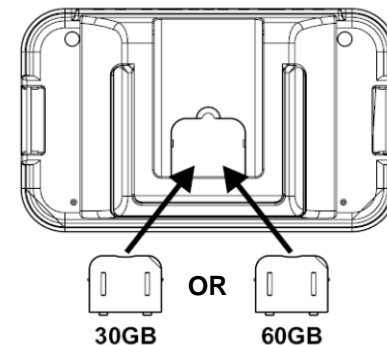

- ② On the next menu screen, select the **"Video Settings"** option.

- ③ On the next menu screen, select the **"TV Out"** option and set it on.

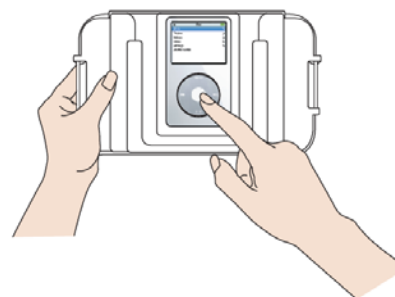

- ④ Open the dock cover on the back of the main unit and install the correct dock adapter for your iPod.

- ⑤ Insert your iPod into the dock carefully and close the dock cover.
- ⑥ Set the **"LINE SELECT"** switch on the top of the main unit to the **"iPod"** position.
- ⑦ Connect the AC adapter to the main unit and set the **"POWER"** switch to the **"ON"** position.

- ⑧ Navigate the menu screen of your iPod to your favorite video file.

- ⑨ Play the video file and watch it on the 7" LCD screen.
